

Royal Ka'anapali Golf Club

Welcome to the Year 2006

Aloha!

Dear Member,

The year 2006 brings with us an, ever growing, number of new members. Reasons for this, is the interest our club draws, not only local residents but golf enthusiasts from around the world. Meeting and making new friends, monthly club tournaments with different formats and just having, "Good Fun," best describes the Royal Ka'anapali Golf Club.

Here are some of the benefits of being a member of the Royal Ka'anapali Golf Club: Membership in the USGA and HGA, GHIN handicapping (updated every 28 days), \$300 in prize money for each monthly tournament, a standing hole in one prize of \$400 for each tournament, most tournaments have an optional skin game, a discount rate for those that participate in the tournaments, the winners of a tournament play free in the next tournament. The yearly dues will be \$60.00.

All members please note on your 2006 golf schedule that on some of the monthly tournaments there is no golf course named. Course & time will be announced 1 month prior to tournament date. Reason being, that improvements will be made on the North course and will be closed temporarily.

2006 brings to our club a more enjoyable, as well as, challenging tournaments for all members. The RKGCC board will choose a number of different formats for the tournament chairpersons to choose from. Look for our monthly postings of the tournament sign-up sheet and format next to our computer. Thank you for your continued support over the years!

Our board of directors for 2006 is as follows: USGA liaison Twigs Vorfeld, Treasurer Michael Vaughn, Secretary Twigs Vorfeld, V.P. Erin Whattam and President Richard Armijo. For more information email rarmijo@verizon.net

Richard Armijo
President RKGCC
